

March 14, 2020

Church family and Community,

Everyone from the Pope to the President is under the intense scrutiny of those who look to them for leadership. Some under their care offer praise and gratitude for making tough decisions while others spew pious criticism.

Because the covid-19 pandemic remains unpredictable and changing by the hour, Boones Chapel will do our part to stop its spread. We will do that in two ways.

First, I am calling you to prayer. Use Psalm 91:1-16 as your guide and promise. Don't miss the prerequisite for protection... "He who dwells in the secret place..."

Second, all on-campus classes and worship services will be canceled at least March 15 and 18. Your leadership team will develop a long-term plan and share it ASAP. These cancellations include GRIEF SHARE and Thursdays SPRING FLING AT PLES.

Tomorrow @ 10:30 and Wednesday @ 7:00 please join us online at booneschapel.org . Prepare before

the service in advance...make your home a sanctuary.

More than ever before your faithful tithe and offerings are essential. Not only will all BCBC ministries continue, this worldwide epidemic will open new ministry assignments that are unplanned in the 2020 budget. Please be faithful and give even if for the first time. You may give online-

<https://app.securegive.com/booneschapel> or you may mail your gift to Boones Chapel 2301 Co. Rd 66, Prattville, AL 36067.

Don't think for a minute these decisions were impulsive or easy to make. We tried in every way to continue, business as usual. However our love for you overcame our desire to be "right" proving everyone else wrong.

We will keep in touch. Good communication is very important as we prepare for changes we may experience.

Phil Winningham

Pastor, Boone's Chapel
