

## Spiritual Growth Brings Practical Results

2 Peter 1:8-11

### 1. Growing In Godliness Results In Fruitfulness.

2 Peter 8-9

The more we become like Jesus Christ, the more the Spirit can use us in witness and service.

### 2. Growing IN Godliness Results In Assurance.

2 Peter 1:10

It is not our profession of faith that guarantees that we are saved; it is our progression in the faith that gives us that assurance.

But they overlook the clear biblical truth that new life in Christ always reveals itself in the fruit of godliness.

As a result, there are thousands of professing Christians who are not growing in godliness, but they think that they are eternally secure in Christ.

When you treat your relationship with Christ as one with prominence, there is never any doubt about who you belong to and what He has done for you.

### 3. Growing in godliness results in Eternal Blessings.

2 Peter 1:11

In the present, growing in godliness will give us the joy of being useful and fruitful to the Lord, so that we don't waste our lives.
