

**Lead Them To Jesus**  
**Matthew 16:26 (NIV84)**

The value of souls has gone down while the value of everything else is on the rise.

Many Christians have simply bought into the lie that someone else will do it.

**1. Leading People To Jesus Brings Joy To Our Savior.**

**2. Leading People To Jesus Brings Joy To The Sinner.**

**Acts 8:30–35 (NIV84)**

**3. Leading People To Christ Brings Joy To Self.**

Essentially, we go out hopeless and return full of hope, because it is Christ who brings about growth.

The excitement is because not only does the soul-winner get to heaven, but he will also have bountiful rewards there.

**4. Leading Others To Christ Brings Joy To The Saints.**

When you lead people to Jesus, we all get to celebrate, why, because we are all on the same team.

Remember we are not "selling" the local church, we are "selling" Christ.
