Mark 3:31-35 (NIV84)

There are “big-hearted” believers and there are “big-headed” believers.

1. How to Become Part of The Family

Jesus teaches an eternal truth to Nicodemus. Being a follower of Jesus cannot be performed by an earthly vessel. It must be performed from above, the spirit.

2. Big-Headed to Big-Hearted

We must not look at people as they once were but we must see them as Christ sees them, a new creation.

Barnabas was big-hearted enough to forgive the past. Acts show us what happens when you allow God to control your actions.

3. Small-Group Big Family

People in your small group are willing to trust God with the risk because we are all part of the Big Family.

Both guys went smaller, but the impact was able to be felt in far more places to increase the size of God’s kingdom.

We must Look Up in worship, we must Look In and build a community that becomes like Barnabas and brings light back to a dim candle like Marks.

Are you part of the family?
