

UnLocking the Tomb John 20:1-2 (NIV84)

The resurrection of Jesus from the dead is the foundation of Christianity.

1. The Tomb was unlocked not to let Jesus out, but to let us in.

You can never put an earthly understanding on something that was heavenly sent.

2. The Tomb was unlocked not to let Jesus out, but to let us in.

If the Romans had the body, it would have completely destroyed Jesus' followers.

3. The Tomb was unlocked not to let Jesus out, but to let us in.

And those disciples, who deserted Jesus to save their own lives, were so transformed by their experience in the weeks after Easter.

4. The Tomb was unlocked not to let Jesus out, but to let us in.

You can't know the risen Savior and remain the same.

5. The Tomb was unlocked not to let Jesus out, but to let us in.

The Tomb was unlocked not to let Jesus out, but to let us in.
